**Dear Parents,**

Summer is here-a time for sunshine, rest, and quality time with family! Here's a set of light, enjoyable activities designed to keep your child engaged and learning in a playful way.

**1. Language Development**

\***Story Time:** Read one short story daily. (Parents can read aloud.)

\***Vocabulary Basket:** Learn 1 new words a day and draw a picture for each.

**2. Numeracy Skills**

\* Count objects at home (toys, fruits, shoes, etc.)

\* Create number cards (1--10) and play memory match. (scrapbook)

**3. Art & Craft**

\* Finger painting or sponge dabbing on paper.

\* Reuse waste material to make something creative (e.g., pencil holder from a box)

**4. Life Skills**

\* Practice buttoning shirts and tying laces.

\* Help in watering plants daily.

\* Keep toys/books in place after use.

**5. Physical Skills**

\* Simple yoga poses or stretching (5 minutes a day)

\* Dance to your favorite song and make a video to share .

**Encourage your child with love and patience. Avoid pressurizing them. Learning happens best when it's enjoyable.**
